The DBO. South Kanara has requested that it may be permitted to contribute a sum not exceeding Rs 200/. towards the expenses of the 4th State Educational Conference. The DBO. has stated that since the conditions specified in Govt No 1939 LAD 3 x 52 Conditions 1 to 4 cannot be satisfied and as regards Condition 5 the financial position of the DBW is not satisfactory. Nor all the conditions specified in the said Govt are not satisfied. The DBO. however has suggested that in view of the importance of the conference Govt may, if deemed fit, permit the S. Kanara DBW to contribute as a special case to the conference. The DBO. has been informed that the present policy of Govt is not to encourage the payment of such contributions by local bodies. In the circumstances it seems the contribution proposed by the S. Kanara DBW need not be sanctioned. Govt may see.

Note on the attached financial position

The financial position in
D/W is examined below

The financial position of the South Kanara Dt. Board is not satisfactory. The Dt Board is being given D.A. grant towards the deficit in its General Account. The R.F. of the Dt. Board for 52--53 was expected to close with a deficit of Rs. 2.24 lakhs and an advance grant of Rs. 0.96 lakhs has been sanctio towards this estimated deficit. The General Accou for 53--54 is also expected to close with a deficit of Rs. 1.28 lakhs without taking into accou the deficit in 1952--53. Similarly the Elementary Education Account for 53--54 is also expected to close with a large deficit of Rs. 6.54 lakhs without taking into account the deficit in the R.E. for 52--53. The Dt. Bd. is not in a position to meet expenditure under reference. If the contribution proposed is sanctioned, it will amount to Govt. me the expenditure as a grant will have to be given towards the deficit in the account of the Dt. Bd.
